Dear Parents & Guardians,

Cross Country

Our Cross Country Carnival is on next Monday, 17th March. Permission notes are attached. Please return by Friday of this week at the latest, as well as any donations to the Easter Raffle.

Remember to bring plenty to drink on the day, as well as either a packed lunch or money for lunch on the day. Bring a hat and some money for the Easter raffle tickets as well. No pre-orders are taken for lunch.

Students are to meet staff at the Delegate Golf Club at 9.30 am and can be picked up from 2.15pm onwards.

AASC Tennis

Next week's AASC session is the last for this term, and we will be travelling into Bombala to have our session at the town courts. Students will travel with staff to town. A permission note is attached. Please return by Monday of next week. The Bombala Tennis Club has asked for a gold coin donation from each child as payment for court hire.

Parents are invited to join us for a game from 3.00-4.00pm and take children home from the courts. A representative from tennis NSW will be there with some giveaways.

ANZAC Sports Day

On Friday students were given information about a Poster Design competition or colouring in competition for the ANZAC Sports Day at the Bombala Exhibition Grounds on ANZAC Day. Any entries need to be back to me by 8th April so that I can take them to Bombala Newsagency where they will be picked up for judging.

Please find attached an information flyer about the day.

Mrs Chaplin
Last week we finished off our Show Art; it took three days and they all look good.

On Friday we were looking at ANZAC Day design a poster art. We can enter our designs in a competition. On Wednesday we were looking at our Claymations and we are going to write a script for it. We will choose one person’s script and make the Claymation based on that.

Will Garnock

Students Write……..

In PDHPE the students have been studying topics such as resilience and interpersonal relationships. Part of these studies required students to identify how they could use their eyes, ears, hands, mouth and feet to be kind to others or a good friend.

The students created their own portraits and wrote ways that each part could help others or strengthen friendships.

This week I have chosen Rory’s portrait of a good friend (stay tuned for more)
