Dear Parents & Guardians,

X-Country

A great day was had at the Bombala District PSSA Cross Country Carnival at Delegate last Monday. Congratulations to our three successful students who are going to the next level at Nimmitabel on Thursday, 3rd April. Look out ‘Heartbreak Hill’!

Congratulations also to the Olding family who managed to win our wonderful Easter Raffle and a big thank you to everyone who contributed to the prize. We managed to raise $248.00 for our local PSSA.

I would also like to thank our parent helpers on the day. Trion stayed busy throughout the day selling raffle tickets while Dave manned one of the checkpoints out on the course.

Energy Day:

On Monday, 31st March, the staff and students of Bibbenluke PS will travel to Nimmitabel for the day to participate in a day of activities based around ‘energy’. The students have been doing some work on different forms of energy with Miss Bailey, in preparation for the day.

Transport to Nimmitabel will be by car with the drivers being Mrs Chaplin and Miss Bailey. Please find permission notes with newsletters today and return to school by this Friday.

Boco Rock Wind Farm:

I’m sure that you are all aware of the development of the Boco Rock Wind Farm on Springfield Rd off the Monaro Highway. The Boco Rock Team are sending regular newsletters to the school, as they are keen for the students to know about the project. We are reading the newsletters as a guided reading activity in class before sending them home with newsletters so that parents too can stay up to date with what is happening on the project.

13 Storey Treehouse/NAPLAN:

I have received a call from the Canberra Theatre to let me know that the Thursday session of the ‘13 Storey Treehouse’ that we had booked to see has been cancelled. We have been able to secure bookings for the Friday session on the following day. More information on this excursion will go home at a later date, however, I wanted to let parents know as I had discussed with parents of students doing NAPLAN this year that I had applied to change the Thursday NAPLAN testing to the Friday. We will now do NAPLAN on the original allocated Thursday!
