Dear Parents & Guardians,

CONGRATULATIONS to all our wonderful athletes! Although Thursday was a tough day to be out on the field, everyone participated and behaved very well. Thank you to parents for transport and help over the two days. I am glad we had some sunshine on Friday to liven us up and keep us a little warmer. Team work was the theme of the day with special mention of our relay teams—ribbon winners in the Snr Mixed Relay, Junior boys and Junior Girls Relay. See Sarah’s account overleaf.

This week is NAPLAN for Years 3 and 5. Make sure you get plenty of sleep and a good breakfast in the morning to keep those brain cells energized! Tomorrow is Language Conventions and Writing. Wednesday is Reading and Thursday Numeracy.
