Dear Parents & Guardians,

School Absences:
During last week our Home School Liaison Officer visited to complete the usual roll check for the term. It was pleasing to see that we have an increase in attendance from the same time last year. Please do remember that all absences are required to be justified and parents do need to provide written explanation for absences.

Conservatorium of Music Visit
Last Friday we had David Miller and his students from the Conservatorium of Music visit the school. The Conservatorium students were fantastic with our students, giving a fun demonstration and then allowing the students to have a go on some of their very special instruments.

Thank you very much to Emily for volunteering to thank David and his students when they had finished. Thank you also to Trion Garnock for providing some snacks for them after they finished working with the children. David and his students were really excited to see that we had them on our notice board out the front of the school and took photos of themselves in front of it to take with them!

Play Night
Play night is this Thursday night! Please make sure that students are at the hall by 6.00 for a 6.30 start so that any final costume touches can be made. Also, please bring a plate, (preferably with something on it!!), for the supper following the performances.

Reports
Reports will go home this Friday. Please feel free to make an appointment to see me if you would like a parent/teacher interview.

MS Readathon
Next term the students will be reading for the MS Readathon. We will register as a group, as it is difficult to find lots of sponsors in a small community. Because of this though, I would recommend that anybody sponsoring children to read, sponsor only a small amount per book, ie, 1-5c per book. This is simply because if we calculate the number of books sponsored for the group over a month, it has the potential to be a large number, especially if students are doing their home reading every day!
For those students who are reading larger novels, they may like to choose shorter books for this month so that they read a larger total number of books that they can be sponsored for.

At the end I will send information home about how many books the school has read as a group and sponsorship money can be sent with children to school.

Windmill
On Friday 27th June we will be up close to one of the windmill blades, given information and able to ask questions relating to Boco Rock wind Farm. Followed by a Sausage Sizzle at the Community Centre in Bombala — see permission note.

Movie Night:
Bomboala Public School is hosting a movie night on Friday, 27th June, (last day of term). The movie showing will be ‘Frozen’. Movie starts 6pm doors open 5.30pm. $5 per child $8 per adult and $30 per family (3 chd+2adults) Tickets available at the door—Bombala HS Multi Purpose Hall.

Jump Rope for Heart
As part of our PDHPE at school, the children will participate in Jump Rope for Heart next term. They will also work on a unit about healthy choices as part of the curriculum requirements.

Have a Great Week

Mrs Chaplin
